

FAMILY COMMITMENT CONTRACT

Responsibilities of New Covenant School Parents

1. We the parent(s) or guardian(s) of _____, accepting God's responsibility which says, "Train up a child in the way he should go and when he is old, he will not depart from it" (Proverbs 22:6) do affirm that this training is to take place in the home. We purpose to set a model through daily times of personal devotion, family devotion, and regular attendance as a family to the Christian church of our choice where we serve as members in good standing.
2. We have carefully examined and agree with the Mission and the Philosophy of New Covenant School and desire the school to work with us in the total education of our children.
3. We pledge to meet all attendance requirements at school wide meetings, teacher conferences, and parent meetings.
4. We pledge our loyalty to the aims and the ideals of the school and will bring any and all questions and criticisms directly to our child's teacher in order that they may be properly dealt with by those in authority. Appropriate suggestions and input to improve our school will be directed to the school Headmaster.
5. We pledge that we and our child will abide by the academic and disciplinary standards of New Covenant School. We recognize that the school reserves the right to dismiss, suspend, or otherwise discipline any student who does not adhere to the standards of New Covenant School.
6. We agree to pay our tuition and fees when due. We understand that a \$50 late fee will be added to accounts not received by the 10th of each month. A student whose family falls two or more months behind may be dismissed from the school. All accounts must be paid in full for the current term for report cards to be issued or for transcripts to be sent to other schools or given to parents. We understand that tuition and fees, once submitted, are non-refundable.
7. We (either father or mother) agree to give a minimum of one day per month in assisting the school to carry out its objectives. This may involve specific teaching duties, planning, supervision, field trips, etc.

We understand that this Family Commitment Contract is also a binding financial agreement for the full payment of tuition and fees for the entire year. We agree to pay all fees on time. We recognize that we are responsible for the full amount of the tuition, and we agree to pay NCS the full amount. Where a change due to family relocation to another city or state occurs or dismissal from school by NCS becomes necessary, we understand that tuition charges will be prorated on a **monthly** basis, but that tuition and fees already submitted cannot be refunded, including prepaid tuition.

We have read the Family Commitment Contract carefully and hereby agree to its terms:
